Now our strange relationship started when I saw his mom for the first time a few months ago. Keep in mind, his mom has been married for 18 years, and his father (Who is a retired weightlifter, and current high school weightlifting coach) was also there with her. His mom is also fine as hell, and I tried to keep from checking her out being that my friend, his brother, and their Dad was with her. I always felt very nervous when I was around her with no one else around, because I would always get the feeling that she liked me more than the other friends I had. Then I had come to an abrupt halt. I remembered that I feel asleep in the College library. A feeling of worry had come across me as I had awakened. I'm setting in a Library filled with hundreds of students, and I've got cum flowing in my pants, and I still got some left that hadn't come out yet. Then I thought "How the hell am I going to play this off?". The only way I could've been in a worse position is if I had a class in ten minutes. I looked, and there's a couple of my friends from high school setting at a table. They hadn't noticed me yet, but then I realized what if they ask me to join them? I can't say no because then they'll be like "Dude why not? You got cum in your pants or something?". So I sat there, and I thought "Maybe I should just sit here and wait it out until everything dries. I looked at my phone, 11:41. I had planned on waiting until 12. That should be good time. But then I had a sudden urge to go take piss. So I waited it out for as long as I could, then my other friends had saw me, told me to come. This was it, time to stand up. I felt my pants, dry. Ok that's good I thought. I then walked to the bathroom, and after I was finished,

everything turned out okay. It was at this time that I realized "Thats it! I have got to fuck my friends Mom!". Ya te voy a mamar la vida pija pero ahora tengo una se 9 pulgadas en mi cola jr quiero tu pija en mi conchita y en mis tetas. Mmmm.
